PRINCIPAL'S MESSAGE

Dear Parents/Carers

What a busy and exciting Term 3 we have had at Bega Valley Public School. Our K-2 musical in Week 6 'The Wrong Book' was a huge success with so many families and community members joining us for the first time in over two years.

Next week our 3-6 students present their musical 'The Lion King' which is another fantastic opportunity to share with you all the talented and creative students and teachers we have here at our school. Thank you to the P and C for cooking the sausage sizzle. I encourage families to come along and purchase a sausage sandwich in support of our committed P and C members. We are always looking for more families to join us as part of our P and C. We meet roughly twice a term and it is a great opportunity to hear about what is happening at our school and support initiatives and fundraisers that go directly back to purchasing equipment and subsidising excursions like the Stage 3 camp at our school.

This term it has been a pleasure to welcome the preschool students into our school as part of our Kindergarten Orientation program - Smooth Start. Anyone wanting to enroll their child for Kindergarten 2023 is encouraged to contact the office for an enrolment pack and information. We will also be holding an afternoon tea on the 17th October for any interested families at 3.30pm.

I would like to wish everyone a happy and safe break with school holidays commencing next Friday 23rd. We look forward to welcoming all our students back on Monday the 10th of October.

HAVE A HAPPY AND SAFE HOLIDAY

P & C NEWS

Helpers needed for Sunday 18th
September for the Bega Tathra Safe
Ride. The P&C will be helping out with
the safe ride again this year.

We need helpers from
8am to approx. 9.30.

We will be manning 9 spots at the
start of the ride and act as marshals
directing riders at intersections.

Please let us know if you
can help on the day.

KEEP
CALM
AND
PUT YOUR
HAND UP

FACEBOOK

Please join the school's
Facebook page, it is a great
source of information about
what is happening in the school.
Information from the school
and the P & C will go out on
Facebook, so make sure you

join.

MONDAY 17TH OCTOBER 2022

starting at 3.30pm

Join us for Afternoon Tea

Bega Valley Public School will be holding another Afternoon tea for parents/carers interested in enrolling their child here at the school for Kindergarten 2023.

We would love to welcome families for a tour of our playground and classrooms.

Join us for afternoon tea and a chat with our friendly kindergarten teachers to find out more.

If you joined us the first time, please feel free to join us again.

FOR MORE INFORMATION
CONTACT THE SCHOOL ON 6492 1280

ENROL NOW AT BEGA VALLEY PUBLIC SCHOOL

We are now accepting
Kindergarten students for 2023!

**IF YOU NEED ENROLMENT INFORMATION FOR
YOUR CHILD PLEASE CONTACT OUR OFFICE
STAFF ON 6492 1280
OR ACCESS THE ONLINE
ENROLMENT FORM ON OUR BVPS WEBSITE
[HTTPS://BEGA-P.SCHOOLS.NSW.GOV.AU](https://bega-p.schools.nsw.gov.au)**

Get in
early!

DEAR PARENTS/CARERS

IF YOU HAVE A PRE-SCHOOL CHILD STARTING SCHOOL NEXT YEAR
AND THEY WILL BE ATTENDING BEGA VALLEY PUBLIC SCHOOL,
NOW IS THE TIME TO SEND US YOUR DETAILS SO WE CAN ENROL
YOUR CHILD INTO OUR SMOOTH START KINDERGARTEN
TRANSITION PROGRAM AND ORIENTATION DAY.

KINDERGARTEN SMOOTH START AND ORIENTATION GIVES THE
CHILDREN A GLIMPSE OF SCHOOL LIFE AND THE PARENTS ALL
THE INFORMATION THEY NEED FOR A SUCCESSFUL AND STRESS
FREE START TO SCHOOL.

Class News K6A

The boys in K6A have been putting their mathematician hats on, learning about Area and Fractions - dividing a group of objects into halves and quarters.

Not only are they willingly participating in their learning, they are having lots of fun!

LOOK AT US

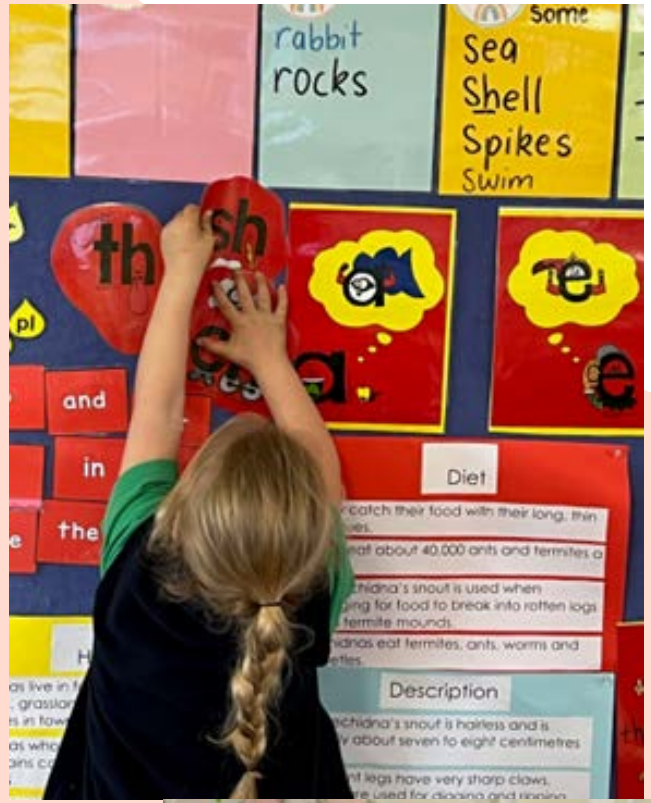

Class News KA

What a term! Well done to all our little performers and what a great job they did on stage in our K-2 play.

This term we continue to practice and extend our writing ideas. We are learning to respond to and create imaginative and informative texts based on books about Australian animals. KA are using the word wall to support their writing and matching it with some great craft projects.

Class News 1/2A

Playing a game that helps us to learn our double plus 1 number facts.

Cosmic Kids Yoga

Games to help addition skills.

Book Week Costumes

Book Week Costumes

Some of our whale artwork in response to the book "Storm Whale" and the research we did about whales.

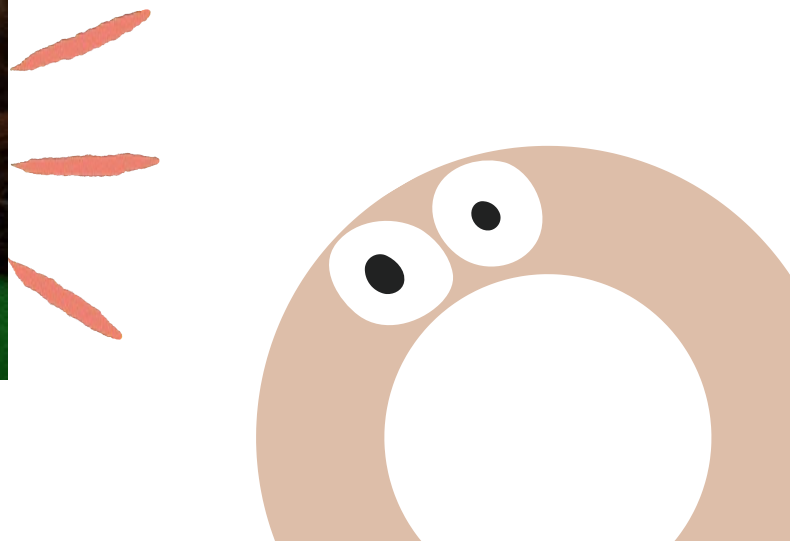

Class News 1/2J

This year our K-2 performance was based on Nick Bland's story The Wrong Book. The children followed Nicholas Ickle through all the wrong books! 1/2J had a fantastic time performing a song and dance to I Just Can't Wait to be King from The Lion King. They loved dressing up as lions with big manes. Isla (Nickolas Ickle), Ellie (Storyteller One), Mia (Simba), Kobie (Pumba) and Riley (Timon) delivered their lines brilliantly! We hope you all enjoyed the school play as much as we did!

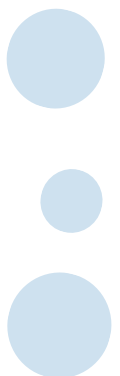

Class News 3/4F

Term 3 has been a busy term for 3/4F. Preparations for the play are well underway and we are looking forward to families coming along to see us perform. As always, we have also been very focused on our learning. In particular, we have been enjoying the text *Charlie and the Chocolate Factory* by Roald Dahl. We have been using vocabulary and examples from this and other texts to help us develop more descriptive and detailed writing. In addition, we have also used the text as inspiration for our art lessons. Students selected a scene from the text and recreated it with a focus on perspective. 3/4F are also very proud of our students who participated in the Festival of Instrumental Music and represented our school by performing at the Sydney Opera House. Congratulations to Mia, Kimberley and Aubrey who went to Sydney with the recorder group.

Class News 4/5B

In Term 3, 45B have been active participants in extra-curricular activities. The students have represented our school in a respectful way at the Zone Athletics Carnival, Regional Athletics Carnival, Inter-school Snow Sports Carnival and State Carnival, Bournda Creative and Talented excursions, the first performances of the year for the School Band and Choir, recorder performance at the Sydney Opera House and the Year 5's at the Stage 3 NRL gala day. The participation and resilience at these events have been outstanding. On top of that, the class has been busy with their preparations for the first School Play in three years. Students have enjoyed continuing their involvement with Digital Technologies with Mrs Deen. We have been getting messy in Science and Literacy following procedures to make things, experimenting with solids, liquids and gas. The class has enjoyed reading and doing activities about Charlie and the Chocolate Factory. They look forward to doing more activities about the book soon including designing their own lolly name and wrapper, watching the movie and making chocolate.

Class News 5/6R

It has been another busy Term for 5/6R with many wonderful achievements and fun activities. All students are progressing well with their class dojo's with many students at the terrific level, heading towards the awesome level.

The engagement in our "One Small Island" unit of learning has been very impressive, with students improving their knowledge of sustainability and human impact on the environment. Collaborating with a partner all class members researched, designed and edited a powerpoint presentation on Australian Antarctic explorer Douglas Mawson applying their design and technology skills.

Consistent independent reading has been a focus this term, with many students completing the Premier's Reading Challenge. We enjoyed the NRL tag and tackle gala day last week immensely. Our Premier's Sporting Challenge concludes at the end of the term, with students tracking their physical activity levels each week.

We are very excited about the Stage 2 and 3 play "The Lion King", which will conclude a wonderful term!

Some individual student highlights from Term 3 include:

I have enjoyed Science this Term, learning about solids, gases and liquids,
James O

This term I enjoyed competing in athletics and participating in the NRL League Tag Gala Day. I am looking forward to going to the Jindabyne camp in Term 4. **Talerah T**

This term, **Jai** and I got to do coding. It was pretty confusing, but it was fun! We got to get our character first fall, then walk and a little sooner jump. We had to copy some line code off our PCYC teacher Lincoln. In the end, our game looked really cool and was almost perfect. I have saved it on a USB to play and will be updating the game to make new levels.

Be ready for it! **Bailey W**

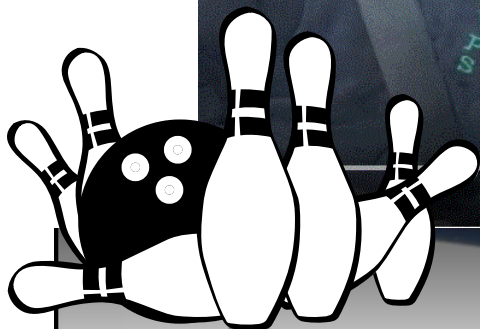

BEGA VALLEY PIN BUSTERS

On Wednesday a team of students, the Bega Valley Pin Busters, made their debut appearance at Merimbula's Top Fun as part of the inclusive sport knockout competition. The kids demonstrated great sportsmanship and cheered each other on with great enthusiasm!

It was a pleasure to accompany these fantastic students who demonstrated the school's values so well!

The team came away with a whopping score of 673.

Class News K6O

Week 9 already!!! Wow! What a busy and enjoyable term we have had. Our Literacy Unit for this term focused on the text Charlie and the Chocolate Factory. The unit included an in-depth study of the text and movie, exploring how narratives are constructed and the language which is used to engage audience. As part of this tasks, students wrote about their favourite chocolates and why they like them along with designing their own chocolate bars. Students also wrote a review on why they favoured the book or the film over the other. Below are some pictures of our writing from this term.

Data Collection-Pizza Toppings

As part of our Mathematics program, we used the knowledge we learnt around data collection to find out what students in our class enjoyed most on their pizzas. The data showed that both ham and peperoni were quite popular, but not so much pineapple. We used this information when ordering ingredients for our Friday cooking lesson. The pizzas were delicious.

Digi Tech

This term, Mrs Deen has been joining K6O for Digi Tech lessons. Over the last two weeks, we have been looking at the metamorphosis of a frog. Students used the Lego kits and Wedo software to create a tadpole, froglet and frog and coding them to make them move just like the real thing. Here are some photos of our finished products.

MUSIC NEWS

Our band programs are going well this term. Lots of our wind and brass students have made exceptional progress and are really enjoying playing together.

14 of our senior recorder group participated in the Festival of Instrumental Music at the Sydney Opera House. They all represented BVPS brilliantly and had a fantastic time. They played alongside 500 other recorder players and 200 string players from public schools all over NSW. The concert was outstanding and the experience was very memorable.

Our Stage 2 & 3 musical, The Lion King, is being presented next week on Tuesday and Wednesday, with matinees at 12pm and evening performances at 6:30pm. Our main cast have been rehearsing well together and all class groups and choir have been learning all the famous songs from the musical. It's going to be a sensational show. Tickets are available from the BVPS office. Our P&C are holding a sausage sizzle prior to each evening performance.

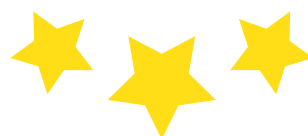

ATHLETICS NEWS

Congratulations to Addie Bateman who achieved third place in her 100m sprint at the Regional Athletics Carnival in Canberra on Friday. This qualifies Addie for the State Athletics carnival to be held in Sydney in October. A wonderful achievement Addie! Well done to Natek, Ewan, Nahali, Grace, Tom, Freya, Phoenix and Zali, our other Regional representatives who displayed great sportsmanship and determination.

NEW SOUTH WALES

Bega Angledale Woolworths Blast Program caters for boys and girls from 4 - 8 years old .

The Bull's Blaster program will each Friday in term 4, 2022. Each session runs for 60-minutes from 5pm. We will run a Junior Blasters (5 and 6 year olds) and a Master Blaster for (7 & 8 year olds)

Each Junior Blasters session has been designed in two-week blocks to simplify delivery, which means more time playing and less time providing instructions. By structuring sessions in this way, Junior Blasters will recognize their own development as they improve over two sessions - promoting skill development and providing motivation for the child.

This season we will also run a Master Blaster program for 7 and 8 year olds. This program is an extension of the junior blaster program and is more suitable for those older children. It is also a great lead into more organized cricket in U11s.

The Bega Angledale Blast Program.

Start Date: Friday 14 October 2021

Time: 5pm to 6pm

Program length: 10 weeks (last session 16 December)

Cost \$100 per participant - use your Active Kids Voucher
